

Preface

A **mixed family** consists of AFDC recipients and MA Only applicants. If this is a mixed family, include the AFDC recipients in the assistance group, but don't count the AFDC grant in the income test. Even though the AFDC recipients are in the assistance group, their MA eligibility isn't affected by the asset and income test results of this financial unit.

Screen

3.1.6

01. Is this person in a mixed family household in which an **NLRR child** is an MA Only applicant? ANHR

AFDC-Related Fiscal
Group Unit

If yes, combine the NLRR child's **fiscal group** with the mixed family's group. Go to 02.

If no, go to 02.

11.6.8

02. Does anyone in the assistance group have a **vehicle**? AAVA

If yes, go to Vehicle Unit.

If no, go to 03.

03. Does anyone in the assistance group have unearned income? AFUI

If yes, go to Unearned Income Unit.

If no, go to Earned Income Unit.
